Subiaco PCYC is proud to present **Subiccino**, its brand new coffee shop! Stop by on Mondays, Tuesdays, Wednesdays and Thursdays between 9.00am—12.00pm and let Subiccino nourish your soul with a hot, barista-style coffee. All funds raised support core centre programs.

The **Sk8 4 Life** program encourages young people to meet new friends and learn new skills. Program sessions are delivered by Skateboarding WA on behalf of Subiaco PCYC and the City of Subiaco, with clinics, workshops and a competition running throughout the year. Get in touch to find out when the next workshop will be running!

Subiaco PCYC and City of Subiaco have partnered up to deliver **UP\$KILL**: a program that allows local young people to develop new skills and widen their knowledge as they enter adulthood and the workforce. Past workshops have included pasta-making, car maintenance and personal finance, and attendance is FREE!
