We also accept KidSport vouchers

Gymnastics Information

Subiaco PCYC takes new enrolments each term for the gymnastics program. We accept new students in the first two weeks of each term or until classes are full.

If you would like to register your interest in one of the classes, please email us and we will endeavour to put your child into your preferred class.

New students with previous gymnastics experience will be assessed when they start and will be put into the correct class according to their ability level.

Levels are measured by a gymnast's ability, not age
