

ABOUT US

Northam PCYC has been a part of the Northam community since 1944, providing a variety of activities to cater for our local community needs.

Northam PCYC works closely with schools and other agencies and to provide a holistic service to the local community. The centre caters to young people within the community by providing structured social and sporting activities in a safe and controlled environment.

PCYC gives young people a range of choices: to hang out, relax with friends, take advantage of training opportunities, or get involved with organised sports and other activities.

Getting Young People Active

Keeping young people entertained these days can be expensive. PCYC is a community organisation committed to offering a wide variety of activities for young people at affordable prices.

Protecting Young People

PCYC centres provide safe environments for young people to hang out, get involved and be themselves.

Developing Young Leaders

Not everyone is born a leader, but everyone can learn how. PCYC offers activities and programs that teach leadership skills and encourage teamwork.

VISION & MISSION

Vision:

We Change Lives.

Mission:

In partnership with the WA Police and the community, a charity that develops young people through inclusive and sustainable programs and activities that contribute to a safer community.
